

DORCHESTER Currents

A monthly publication of Dorchester County Maryland

TOP STORY

OCTOBER 2017

Dorchester Economic Development Launches New Website

Check out the Dorchester County Economic Development's new website. The update is part of an aggressive marketing campaign reflecting the beautiful landscape and the sought after coastal lifestyle combined with relaxed atmosphere for businesses.

A special thank you to Choptank Communications the leader of the design team. Jill Jasuta Photography for her sharing her talent and photography and GNet Consulting for building the website. The design team was an integral part of new look and build out.

Currents is the monthly newsletter of the Dorchester County Economic Development Department. For information or suggestions, contact info@ChooseDorchester.org or call 410-228-0155.

Small Business Congrats to CK Lord

IF IT'S MADE FROM METAL, WE MAKE IT!

A big congratulations to CK Lord, Inc. for reaching a monumental milestone of 70 years in business! CK Lord had been part of the Dorchester economy since 1947 and has carried on the traditions and quality ever since.

Their customers range from publicly held corporations to small local companies, as well as individuals.

Please visit <http://c-klord.com> for more information.

Economic Development Mission Statement

As Dorchester's economic development office, we are dedicated to strengthening the county's business and employment climate to create more prosperous, vibrant and sustainable communities. Working with partners in government, economic development and education, we help business owners and operators successfully navigate the financial, regulatory and workforce landscapes.

Community National Prescription Take it Back Day

October 28, 2017 is National Prescription Drug-Take It Back Day. Safely get rid of expired, unused and unwanted prescription/ over-the-counter Medications at Criags Drug Store from 10 a.m.-2 p.m. on October 28, 2017.

Proper disposal helps eliminate possible abuse and helps the environment.

For more information please call or email Charlene Jones at 410-901-8162 or Charlene.jones@Maryland.gov.

Small Business Economic Development Week

Economic Development Week (EDW) is almost here! Maryland will celebrate its annual EDW October 23-27, 2017. The week long celebration raises awareness of economic development's contribution to the business climate across the state.

Dorchester County will collaborate with the Startup Maryland Bus. Events include a ribbon cutting and a visit to the Eastern Shore Innovation Center.

More details forthcoming.
